

MIG Welder Fabricator

Job title: MIG Welder Fabricator
Salary: £28000 plus overtime
Hours: Monday to Friday 8.00am to 4.30pm
Location: Belvedere, South London
Duration: Permanent

The role of MIG welder is a varied one and will includes:

- Welding mild steel framework, jigs and fixtures
- Welding sheet between 3mm and 15mm
- Fabrication and some modifications
- Use of a variety of hand, power and workshop tools
- Basic final inspection following drawings and specification

The ideal MIG Welder / fabricator will:

- Have considerable experience of MIG welding and fabrication
- Be able to demonstrate consistent, accurate welding results on sheet and mild section
- Be able to read and interpret engineering drawings
- Be able to use a variety of drills, hand held grinders etc. in the preparation of components.

The successful MIG Welder / fabricator will benefit from working for a forward-thinking UK market leading steel and metalwork company.
